

## Our Literacy Learning:

To repeat songs, rhymes, stories and repeat familiar phrases.

To fill in missing words from well-known rhymes.

### Writing

To make marks on the page, sometimes with both hands.

To begin to balance when sitting.

To begin to make connections between my actions and the marks being made

To control the marks on the page.

To distinguish between different marks I make.

### **You could help your child with their Literacy learning by**

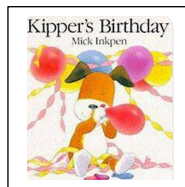

- Sharing lots of stories and nursery rhymes at home and talking about your favourite parts or characters.
- Encourage children to look for familiar letters/words/logos in the environment.

## Phonics:

Nursery will soon begin their Phonics journey. To begin with, we will focus on Phase 1 aspects and particularly on environmental sounds and instrumental sounds. You could support your child's learning at home by encouraging their listening skills, reinforcing the importance of good listening, and asking questions about the things they might hear on the way to school or at the shops.

### **In RE we are learning about:**

The Nativity

## NURSERY NEWSLETTER

### Autumn 2

#### Celebrations and Festivals

### During this theme the children will learn about:

- Bonfire night
- Weddings
- Christenings
- Birthdays
- Remembrance Day
- The Nativity
- We will also take part in World Nursery Rhyme week

### You could help your child with their Theme learning by:

- Taking them to a celebration involving fireworks
- Share photos of a family wedding or christening and talk to your child about what happened and how you celebrated
- Talk with your child about any other celebrations you have as a family, Diwali, Eid, Lunar New Year
- Tell your child when their Birthday is
- Sing nursery rhymes together

Take a look at the exciting things we've been doing on our class page on:

<https://www.stjohnsradcliffe.co.uk/>

Remember we also have a facebook page and seesaw

Don't forget to follow us on Bluesky

## Our Maths Learning:

Number 1

Number 2

Subitising

Pattern

Number rhymes

### **You could help your child with their Maths learning by:**

Singing counting songs and rhymes at home. Looking for familiar shapes and numbers in the environment (road signs, objects in the home). Counting objects such as toys, jumps, claps and hops- remembering to only say one number name per item counted. Look for patterns in nature

### **Help us to help you!**

We know how frustrating it can be when uniform gets lost. We will endeavour to help your child find their uniform but please **LABEL EVERYTHING** with their name as they would expect to see it (only a capital at the start).

### **Other news & updates about our class:**

PE is on a Wednesday afternoon

We visit the Library on a Tuesday and Wednesday afternoon
