

Year 6 Newsletter

Spring 2

Our English Learning

In English this half term we will be working on:

- Writing diary entries based on the text 'The Nowhere Emporium'
- Setting descriptions within a diary entry.
- Researching, planning and writing non-chronological reports.
- Oral presentations.
- Daily SPAG revision in preparation for SATS.

You could help your child with their English learning by:

- Encourage your child to read as much as possible at home. They can sign their own reading record now.
- Children also have the choice to ask for revision sheets to complete at home at their own pace if they would like.
- Log on to TT Rockstars when you can, for extra revision.

RE: What difference does the resurrection make to Christians?

In PE: The children will be focusing on tennis and hockey.

The title of a current History unit is:
What was significant about the new Elizabethan era?

We will be exploring...

- how the last 70 years have seen significant changes both nationally and globally
- how technology has had a significant impact on these changes
- how the demographics of the UK have changed over the last 70 years and how this has impacted the present day

Other news & updates about our class:

- P.E. will be held on a **Tuesday** and **Thursday**. Children should come to school in their P.E. kit on these days (white t-shirt, black shorts or leggings and trainers or pumps) and wear their school jumper/cardigan/fleece over the top.
- Please ensure children are always wearing the correct school uniform, including smart black shoes and appropriate hair accessories.

Our Mathematics Learning

In Maths this half-term we will be working on:

- Statistics- reading and interpreting different graphs and tables.
- Ration and proportion and applying this to a variety of problems.
- Number and calculation revision, in preparation for SATS.
- Multi step word problems using all calculations.
- Daily revision sessions recapping arithmetic style questions.

In Science:

Throughout the Spring term we will be continuing exploring living things and habitats. Including classifying plants and animals based on their characteristics.

Robinwood

We are all extremely excited for our residential trip to Robinwood, which is taking place from the 18th-20th March.

Please ensure you have checked the information pack for any things you may need to prepare ahead of the trip.
