Dear Parent / Guardian of a Y5 child

Great news! Your child has been offered the opportunity to take part in Bikeability cycle training at St John's Primary on 5th – 8th October 2026.

Your child needs to be able to ride a bike to take part.

We need your consent for your child to participate in Bikeability Level 1+2 Cycle training. Failure to complete this form will unfortunately result in your child being unable to take part in Bikeability cycle training.

What is Bikeability?

Bikeability is the government's national cycle training programme. It helps you learn practical skills and understanding of how to cycle on today's roads. Bikeability gives everyone the confidence to cycle and enjoy this skill for life.

Please use the QR code or link below to register your child for the Bikeability sessions.

Pupils will need to bring a roadworthy bike on the days stated and, if available, a helmet that fits securely. A roadworthy bike has:

- Inflated tyres, as hard as an apple
- Two working brakes

- A well-oiled chain
- A saddle and handlebars which are fixed on tight

For tips on how to check your bike is roadworthy, visit <https://bikeability.org.uk/bikeability-training/get-ready/>

If you are still unsure, please seek the advice of a professional mechanic in advance of Bikeability cycle training.

School will be borrowing some bikes for children who don't have a bike of their own. We also hope to run some Learn to Ride sessions before Bikeability so children can practise but you may also want to take the opportunity of the next few weeks to build up your child's confidence before this course.

If you have any difficulties filling in the online consent form – please contact the School Office who can help you. Children cannot take part without your permission.

Many thanks
