

Dear Parent/Guardian,

Now that your child has started primary school, there are health teams that can support you and your family.

The School Nursing team can support you and your child with any health concerns you may have, supporting you with toileting concerns, fussy eating, weight management, anxiety support, sleep support, behavioural support, and can support you with any medical conditions / care plans your child may have.

Please follow the link below to complete the questionnaire, it is simple and straight forward to complete, instructions on how to set up an account are at the bottom of the page.
