CE Primary School

Isaiah 40:31 'They will soar on wings like eagles'

Head Teacher: Mrs T Cansdale

Deputy Head Teacher: Mrs M Milne

Year 6 Performance – safety advice in the heat

As you are aware Year 6 will be performing their play on Friday afternoon. The forecast is for very hot temperatures (31 degrees) and our hall can get very hot and stuffy, especially with lots of bodies in there. To reduce the number of bodies, we will not have Y5 in the hall, as we usually would, they will watch another day.

As a school we will –

- Open windows and doors as far as possible to circulate air.
- Turn off lights where we can
- Have water available at the back of the hall
- Space seats out.
- Start promptly (Please arrive for 1.15)

As the audience –

- Bring plenty of water.
- Bring a handheld fan if it isn't too noisy.
- Think carefully about bringing elderly relatives, anybody not in full health or babies/ toddlers
- If you need to leave – please do so quietly by the hall door at the back.

The children have worked extremely hard and will also be dealing with the heat. Please encourage them as much as possible and ensure no noise/ talking through the performance. We know you will have a fantastic time and will be proud of them.

Thank you for your continued support.

Mrs Milne.
